

The Weather

Thursday, fair with cool winds from the Mediterranean. Friday, fair with clouds from the north in the afternoon, rising temperature. Northern Palestine; unsettled; little change in temperature.

PROPHETS OF OLD

First to See Coming Of Prince of Peace

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — For centuries prophets have forecast the birth of a Christ Child and historians have made many references to the coming of a Messiah.

These are some of the names which have been applied to Him. Immanuel, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace, The Lord of the High-

est and Jesus.

Since the birth here today of the Wonderful child and the excitement and rejoicing that have followed local scribes have been searching history and the Bible and point to the predictions of Isaiah, Jeremiah, Micah and others.

The following quotations are given as vital to the Messiah's coming:

Magi Followed Star To Find Son of Mary

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, impressive in the richness of their many colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy. "There shall come a star out of Jacob and a scepter shall rise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Casper, Melchor and Balthazar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the commonplace surrounding seemed out of keeping with Christ's significance, Melchor, the wise man, answered:

"The King we seek is not to be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham will ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the lions of Jerusalem. But the light for

which the world is waiting is a new light, the glory that shall rise out of patient and triumphant suffering. And the kingdom which is to be established forever in a new kingdom, the royalty of unconquerable love."

An intimation of the uncertain future was voiced when he added: "I do not know how the turbulent kings and people of the earth shall be brought to acknowledge the Messiah and pay homage to Him. But this I know. Those who seek Him will do well to look among the poor and lowly, the sorrowful and the oppressed."

Astrologers See Tragedy, Sorrow For Holy Babe

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1. — Great tragedy will mark the future of the child born in Bethlehem, say the country's foremost astrologers. The stars, they say, reveal:

He will be in great danger while he is still an infant, and because of an attempt upon His life, many children will be killed.

He will live to be hailed in Jerusalem, but will later be rejected and betrayed by one close to Him.

Crucifixion will be the manner of His death, and He will undergo unspeakable suffering.

There are other venerable pathetic words which foretell the sufferings of the promised Messiah.

These reveal that He will be "despised and rejected of men, a man of sorrows and acquainted with grief."

Their search of the records it is believed, will continue for many weeks and will entail many secret conferences with not only members of their craft, but with the priesthood in the temple itself. Whether their finds will be made public in detail is not known.

The astrologers added that this preliminary report of their findings as revealed by their efforts probably would be considered altered by further study and indeed, might be radically altered by results of research and study.

Dogs and Sheep

Overcome by

Celestial Radiance

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The shepherd's dogs and sheep were overcome also by the strange light from heaven last night, the men reported.

'Mary Smiled at Me!' Simply Clad Boy Says

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1. — A young boy — one of the band of shepherds which was visited on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stable when the presence of the child became known.

Rough clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary the mother of the Holy Child. The other shepherds were too inspired, and the wise men from the east too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet in the stable," he replied to questions. "I noticed that even the pigeons didn't coo like they usually do."

"Did Mary or Joseph say anything to anyone?" he was asked.

The lad flushed then confessed. "Joseph asked to help him fix the hay so it would be more comfortable, and then Mary smiled at me after she had been looking at the baby, and so I asked her if they didn't have better places in the inn. She answered low-like: 'There wasn't any room for us.'"

"I felt sorry for her; and then she smiled again and just whispered: 'But I like it here. The inn was so noisy, and the streets are full of loud people. The animals are peaceful. You mustn't feel sorry for us.'"

"I still felt strange. It is as though something too wonderful to talk about has happened to me. I can't explain it. But I feel so peaceful inside."

The Lord spoke again to Ahaz saying, Ask thee a sign of the Lord they God . . . But Ahaz said I will not ask, neither will I tempt the Lord. And he said, Hear ye now, O House of David . . . Behold a virgin shall conceive and bear a son, and shall call his name Immanuel. — Isaiah 7:14.

The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined . . . For unto us a child is born, unto us a child is given, and the government shall be upon his shoulders, and his name shall be called WONDERFUL COUNSELOR THE MIGHTY GOD, THE EVERLASTING FATHER, THE PRINCE OF PEACE, of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgement and justice henceforth even forever.

The zeal of the Lord of hosts will perform this. — Isaiah 9:2,7.

I will gather the remnants of my flock out of all countries whither I have driven them, and will bring them again to their folds . . . and I will set up shepherds over them which shall feed them, and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord, that I will raise, and the king shall reign and prosper, and shall execute judgement and justice in the earth . . . And this is his name whereby he shall be called, THE LORD, OUR RIGHT-EOUSNESS. — Jeremiah 23:3-6.

Now gather thyself in troops, O daughter of troops; he hath laid siege against us; they say smite the judge of Israel with a rod upon the cheek. But thou, Bethlehem Ephrathah, though thou be little among the thousands of Judah, yet out of thee shall come forth unto me one that is to be ruler of Israel; whose goings forth have been from old, from everlasting . . . And he shall stand, and feed in the strength of the Lord, in the majesty of the name of the Lord his God; and they shall abide; for now shall he be great unto the ends of the earth. — Micah 5:14.

In the sixth month the Angel Gabriel was sent from God unto a city of Galilee, named Nazareth, to a virgin spoused to a man whose name was Joseph, of the house of David and the virgin's name was Mary. And the angel came up on her, and said, Hail thou art highly favored, the Lord is with thee: blessed art thou among women. And when she saw him she was troubled at his saying, and cast in her mind what manner of salutation this should be, and the Angel said unto her: Fear not, Mary, for thou hast found favor with God.

Inn Keeper's Faith In Miracle Strengthens

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — Bewilderment marked the features today of the keeper of the little inn where Mary and Joseph sought shelter last night. But behind the bewilderment could be sensed a dawning belief.

"There was something different about her face," he said of Mary. "It was tired — but different. And when Joseph turned away leading the ass she was riding, something about him too, made me want to call them back."

"I went to the stable this morning," he mused. "Only it didn't seem like the same stable somehow."

Church Directory

Attend the church of your choice this Christmas. Inside, on page two, is a church directory. Special holy holidays services are scheduled at churches in the area.

Messiah Comes Into World Torn By Internal Strife

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — Chris was born last night. They say he is a King. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing swords of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of scattered race. For generations they have unrolled their papyrus scripts and reassured themselves that one day a Redeemer of Mankind would restore their kingdoms. With mighty armies He would vanquish a tyrant Caesar, and rebuild their shining city.

They thought of him in terms of shining raiment and a golden throne; they didn't expect swaddling clothes and manger hay.

They could see him proclaimed by heralds with silver trumpets; they didn't think his companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a harried innkeeper would suggest that the royal family sleep in the barn because all of his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unspeakable joy hail Him as the Saviour of Israel.

Mary and Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1. — Although Mary, mother of the Saviour, and her husband, Joseph, live among the humble folk here, where he is a carpenter, they are of the royal family of Judah and the descendant of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old prophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Shopkeeper Has Doubts About Jesus

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — "All the excitement has made more business for my shop but I do not believe he is the Christ."

That was the opinion of the proprietor of a small shop here who has not yet visited the now-famous birthplace of the infant Jesus.

"I really believe this is just something arranged to make more entertainment for taxpayer week," he went on. "Why, the true Christ will be so mighty that there will not be a doubt by anyone when he comes. That light was just a falling meteor and those sleepy shepherds were startled by it. You know how a story

He said he had been too busy to go along with the crowds to the stable, and added that the innkeeper would probably have more business than ever.

"I have an extra room here at the back," he said thoughtfully. "If I had only known — and he hurried to wait on a customer."

Lowly Shepherds with Flocks on Nearby Hills First to Note Miracle of Celestial Visitation

Long-Awaited Messiah Born in Lowly Manger

The Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time. Today's current news appears on inside pages. The Bethlehem story was

mainly written several years ago by a newsman and its use has become tradition with us. The dispatches are based on the story of the Christ child as it was originally written.

Herod in Dread, Seeks to Delude Sages from East

Manger Miracle Told Over and Over As Groups Collect

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1. — An apprehensive Herod sits on the throne of Judah, and is much disturbed at the significance of the Messiah in Bethlehem.

This was brought to light with the recent visit here of sages from the East who were seeking the newborn King of the Jews. Having heard of their inquiries, Herod hastily called together his chief priests and scribes who write the laws, and demanded them to tell him more of the prophecies of Christ's coming.

Then he summoned the wise men for questioning, and led them to believe that, if they would go to Bethlehem, discover the Child and return and tell him about it, he would journey there himself to pay homage.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagances. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, makes it impossible for him to understand a Prince of Peace.

Great Joy Pervades City of Bethlehem

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

The shepherds probably ex-

Brilliant Star Presaged Secret Mystery of Birth

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1. — Eminent astrologers here admit to the appearance of a new star. They say that at infrequent periods such stars, or novae, as they term them, suddenly appear with great brilliance, are evident for a time, then fade away.

Last night's star, they explained, resulted from the conjunction of two great planets, Jupiter and Saturn.

Magi's Wisdom is Greatest in World Declares Caspar

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — This is what Casper, one of the wise men, said about their belief:

"The wisdom of the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

Season's Greetings

Copies of this edition, featuring our annual Christmas mas front page, written as it might have been recorded in contemporary papers in the year of Our Lord's birth, may be obtained for 10c a copy from the Lemon Grove Review office, 7834 Lester st., Lemon Grove. We, the staff of the Lemon Grove Review and Spring Valley Bulletin, wish to extend to you a Merry Christmas and a Happy New Year.

Eyes of All Judea Turn to Bethlehem As Word Spreads

Appearance of Star Convinces Inhabitants New Baby is Prince

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The eyes of all Judea are turned with awe today upon this little town as the word emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confronted them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who Scriptures have said will reunite the scattered tribes of Israel and reign over them as the Son of God.

The appearance of a new star of Great Magnitude and luminousness, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while they were tending their flocks in the low lying hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

This the shepherds did, being guided all the way by an angel. There they found the child, but recently born, with his parents and stable animals. So deep was the conviction of the angel's message upon them, that they immediately accepted Him as the promised Saviour, and fell upon their knees and worshipped him.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsurpassed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future Christ will come from a more significant source.

The whole atmosphere here has been one of unusual excitement for the past few days since that was the time decreed by Augustus Caesar for all tax payers in Judea to be registered. Mary and Joseph being of the house of David, were required to come to Bethlehem, and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservation for lodging. The low temperature of the winter night forced them to the stable where they made themselves as comfortable as they could in the straw. They suffered no ill effects from the experience, however, and those who visited the little family after the birth became known, report that an aura of light transformed the dingy surroundings into a place of beauty.

Mary indicated that she would call the child Jesus.

GIFT PRESENTATION — Bob Bizzell, left, president of the Spring Valley Lions Club, presents Bob Lippert, director of the Girls and Boys Aid Society, with a volleyball, while Bob Highsill prepares his presentation of a basketball.

Highsill is the Christmas Program chairman of the Lions Club. The action was at the Dec. 15 meeting of the club, when the presentation of sports equipment to the society was made.

Our Men In The Armed Forces

Allen Giacomini

Airman First Class Allen H. Giacomini, son of Mr. and Mrs. Kent Corey, 3773 Helix st., Spring Valley, is on duty at Cam Rahn Bay AB, Vietnam. Airman Giacomini, an air passenger specialist, is assigned to a unit of the Pacific Air Command, headquarters for air operations in Southeast Asia, the Far East and the Pacific area. He previously served at Vandenberg AFB, Calif. The airman is a 1970 graduate of Torrance High School.

William Peters

Navy Chief Radioman William E. Peters, Fourteenth Naval District Director of the

Navy-Marine Corps Military Affiliated Radio System since 1968, is retiring from his Pearl Harbor post after 20 years' military service.

Peters was the man responsible for coordinating massive MARS efforts following a tragic fire aboard the aircraft carrier USS Enterprise in January 1969.

MARS is a network of military "ham" operators who pass on emergency and morale messages and voice telephone patches between servicemen and their relatives.

He also served as MARS coordinator for the Pacific Maritime Spacecraft Recovery Force during Apollo flights 11 through 15, establishing transmitting facilities on the respective primary recovery ships.

Peters, who holds a degree in business administration from LaSalle University, is a native of St. Joseph, Mo. He is married to the former Encarnacion Adalla of San Antonio, Republic of the Philippines. They have five children, Tony, 15; Gail, 14; Jeff, 11; Kenny, 4, and David, 2.

They will reside at 1537 Enfield st., Spring Valley.

David Dickerson

Army Specialist Four David A. Dickerson, 22, son of Mr. and Mrs. Carl M. Dickerson, 548 Elkton blvd., Spring Valley, recently completed a 23-week fixed station technical

controller course at the U. S. Army Signal Center and School, Ft. Monmouth, N.J.

He was trained in the concepts, procedures and equipment necessary for control of fixed station facilities.

He entered the Army in March 1971 and was last stationed at Ft. Ord, Calif.

The soldier is a 1967 graduate of Mt. Miguel High School, and attended San Diego State College.

Fleet Reserve Auxiliary Hosts National Prexy

Mrs. Adaline McDonough, National President of the Ladies Auxiliary Fleet Reserve Association will make her official visit to the area January 6.

Mrs. McDonough, of Unit 11, San Pedro California, will be honored at a dinner hosted by Unit 139 at 6 p.m. at the Charcoal House in La Mesa. A meeting will be held at 8 p.m. in the American Legion Hall, 8118 University in La Mesa. Unit 139 President, Mrs. Paul McDonald has invited all members of area units to be present.

Plans are being made for a spaghetti dinner in February. When crickets are heard at night, it is the sound of males seeking the attention of females.

Licensed To Wed

SAN DIEGO (CNA) — Marriage licenses were issued to:

Howard Hoover, 21, La Mesa, and Teresa Dambergers, 20, Lemon Grove;

Royce Benjamin, 25, Spring Valley, and Elizabeth Andrelli, 15, San Diego;

Ronald Weaver, 23, Loma Mar, Calif., and Susan Penery, 22, Lemon Grove;

Adil Yousif, 24, Spring Valley, and Diane Gill, 24, San Diego;

Herman Rauch, 40, Spring Valley, and Chole Bowman, 34, El Cajon, and Jerome Ebneth, 27, and Jerilyn Albertini, 24, both Spring Valley.

Trinity Presbyterian Sets Week's Calendar

Following is the week's calendar from Trinity Presbyterian Church:

Thursday, Dec. 23. Chancel choir and Senior High study, at 7:30 p.m.

Friday, Dec. 24. Candlelight Christmas Eve service, at 7:30 p.m.

Sunday, Dec. 26. Church School at 9 a.m.; coffee fellowship at 10 a.m.; Worship at 10:30 a.m.; Niners and Senior Highs at 7:30 p.m.

Tuesday, Dec. 28. Session at 7:30 p.m.

Wednesday, Dec. 29. Prayer-Share YACC party, at 7:30 p.m.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Nochebuena" means "Christmas Eve." In most Spanish-speaking areas "Nochebuena" is celebrated with a final Posada to be followed by the exchanges of gifts. "Nochebuena" is a single word constructed from "noche" (night) and "buena" (good). The literal meaning, "good night," has been modified to the present meaning of "Christmas Eve." This form may be used in expressions like "Que bonita Nochebuena!" (What a pretty Christmas Eve.), "Donde pasa usted Nochebuena?" (Where do you spend Christmas Eve?), and "Yo paso Nochebuena en casa." (I spend Christmas Eve at home.)

"Navidad" is equivalent to "Christmas" or "Nativity" in English. During the days around Christmas one might hear "Navidad" used in greetings of the season like "Tenga usted una Feliz Navidad." (May you have a Merry Christmas.), "Divertase en la Navidad." (Enjoy yourself at Christmas.), and "Que reciban ustedes muchos regalos en la Navidad." (May you all receive many gifts on Christmas day.). Another easy and simple way to express greetings of the season is seen in "Feliz Navidad" and translated "Merry Christmas."

"Posada," pronounced "poh-SAH-thah" is also a popular word during the Christmas season. The literal translation

suggests "inn" or "lodge" in English. "Las Posadas" is the plural form. There are nine "Dias de Posadas" (Posada Days) that are celebrated before Christmas. A re-enactment in pageant form of Joseph's and Mary's search for lodging takes place in each Posada. Party members enter into a procession, one group representing the Joseph and Mary party, and another group representing the innkeeper party. Both groups sing the "Canto de Posados" (The Posadas Chant) in which the Joseph and Mary group ask for lodging among all the innkeepers until they find the one good innkeeper who offers them lodging in a manger.

The Hardisons, Elaine and Jim Jr., Elena and Jim Sr. extend to all our readers and friends a "FELIZ NAVIDAD!" and recommend these expressions for your holiday pleasure. Dial 276-2762 to hear them.

Say "Que bonita Nochebuena." (keh boh-NEE-tah no-che-boo-EH-nah) for "What a pretty Christmas Eve."

Say "Divertase en la Navidad." (dee-vee-EHR-tah-seh eh-nah nah-vee-THAD) for "Enjoy yourself at Christmas."

Say "Que reciban muchos regalos." (keh reh-SEE-bahn MOO-chohs reh-GAH-lohs) for "May you receive many gifts."

Say "Muchas Felicidades." (MOO-chahs feh-lee-see-DAD-dehs) for "Many happy returns."

Say "FELIZ NAVIDAD Y" (feh-LEES nah-vee-DAHD ee) for "MERRY CHRISTMAS" for "MERRY CHRISTMAS" and

Say "PROSPERO AÑO NUEVO." (PROHS-pehr-roh AHN-yoh noo-EH-voh) for "A PROSPEROUS NEW YEAR."

Teen Dances On Tap

A teen dance program, sponsored by the El Cajon Police Department, will be held December 29 and January 1 in the El Cajon Valley High School gymnasium, according to Officer Gary O'Gorman, of the police department.

Admission is \$1 for teens to both dances, which will be held from 8 to 11:30 p.m. each evening. Music will be provided by the "Emergency Exit", a local rock group.

The dances are of a continuing series of youth activities sponsored by the El Cajon Police Department.

Pot Luck Party Held

The annual Christmas party and pot luck dinner was held Tuesday night for members and families of the Lemon Grove FFW Post No. 2082.

A ham was provided for the dinner by the VFW and its auxiliary at the VFW Hall, 2885 Imperial ave., and the VFW Clowns entertained youngsters prior to the arrival of Santa Claus.

Santa awarded each of the youngsters present a gift, and the clowns brought laughter with their exuberant magic acts and juggling.

Campaign Gets Praise From White House

San Diego County's military personnel and civilian employees of the federal government have been praised by the White House for the outstanding success of this year's Combined Federal Campaign.

The local federal drive, which raised more than \$1.6 million this fall, is the second largest such campaign in the nation, ranking behind only Washington, D.C.

In a telegram, Presidential aide Herbert G. Klein noted that President Nixon "was especially pleased to hear of the outstanding performance made by the Combined Federal Campaign, headed by Rear Admiral Joseph Williams, Jr."

This year's CFC drive raised 32 per cent more than the previous campaign. CFC officials noted this was even more remarkable in view of the cutbacks in personnel during the past two years.

SANTA'S HELPER — With the aid of his favorite elf, Margot Law, Santa is busily at work at the North Pole sorting the nearly \$94.5 million in Bank of America Christmas Club checks, including funds for 929 Spring Valley-Lemon Grove residents.

In announcing this year's total, Regional Vice President A. Gilbert R. Fox said local savers at the three area B of A branches will be receiving a \$182,159 gift.

AREA OBITUARIES

Services Held Sunday For Catherine A. Jordan

Recitation of the Rosary was held Sunday evening at Saint John of the Cross Church in Lemon Grove for Catherine Anna Jordan, 87, of 3904 Hami Hon st., San Diego, who died December 15 at Presta Loma Convalescent Center.

A Requiem Mass was held Monday morning, also at St. John's, followed by burial at Holy Cross Cemetery. Mrs. Jordan, a native of Ohio, lived here for 35 years.

She is survived by her son, O. Phillip Jordan, of Lemon Grove, who operates the Presta Loma Convalescent facility; a daughter, Sister Bernice, a Catholic Nun; two other daughters, Alice Cadwell, and Helen Weinavapel, both of San Diego; two sisters, Christina Morgan and May O'Neil, both of Ohio; a brother Albert Keisel, of Ohio; eleven grandchildren; and 14 great-grandchildren.

Conrad Lemon Grove Mortuary handled the arrangements.

BoFA Predicts Growth For Equipment Rental

Bank of America last week predicted a prosperous future for the equipment rental industry, one of the fastest growing service industries in America.

Changing life styles, with an emphasis on renting rather than owning, have given impetus to the industry, according to the bank's periodical, The Small Business Reporter.

The report was released by Regional Vice President Gilbert R. Fox.

While individuals are saving both money and storage space by renting, the bulk of rental volume is with such commercial firms as contractors, retailers or manufacturers.

"Short-term use of industrial equipment allows a business to take advantage of technological advances, yet hedge the costs of maintenance, obsolescence and disposal," the bank study said.

F. M. Smoot

Funeral services were held Tuesday morning at the Erickson Anderson Mortuary Chapel for Frankie H. Smoot, 37, of 9020 MacLane, Spring Valley, who died December 19 at Grossmont Hospital after an illness.

A native Californian, Mrs. Smoot lived in this area for 35 years. She was active in the Bobby Sox Softball program for young girls. Interment was in El Camino Memorial Park.

She is survived by her husband, Clark Smoot; a son, Mark C. Smoot, and a daughter, Terri L. Smoot, all of the MacLane address; and her parents, Mr. and Mrs. Frank Carlton, of Bakersfield.

W. A. Schmidt

Memorial services were held in the Conrad Lemon Grove Mortuary Chapel Tuesday morning for Wessie August Schmidt, 69, of 3173 Bancroft dr., Spring Valley, who died December 18 at his residence.

Schmidt, who was a native of Missouri, lived here for three years. Interment was in Hixonsville, Missouri.

He is survived by his wife, Olive.

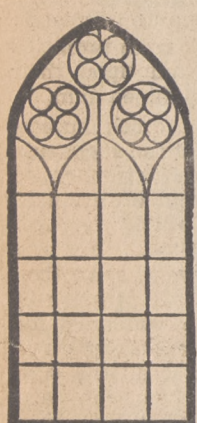

M. L. Masters

Recitation of the Rosary was held Wednesday evening at Saint John of the Cross Church in Lemon Grove for Mrs. Marie Lillian Masters, 77, of 3135 Crane st., Lemon Grove, who died December 19 at Grossmont Hospital.

Mrs. Masters, a native of Minnesota, lived here for 42 years. A Requiem Mass was scheduled this morning at 9:30 a.m. at Saint John's, to be followed by interment in Holy Cross Cemetery.

Survivors include her husband, Abbott Masters; a daughter, Margarita Nutt, of Lemon Grove; a son, Abbott Masters, Jr., of Lemon Grove; two brothers, Raymond and Harold Bacan, both of San Diego; and ten grandchildren.

Conrad Lemon Grove Mortuary was in charge.

The DIMMER VIEW

by Max Goodwin

More Crime - Fewer Prisoners

For the past five years a lenient criminal philosophy has pervaded the courts in California.

It started in 1961 when sociologists convinced the state legislature that lenient treatment, coupled with more probation would help rehabilitate convicted felons better than prison "hard time."

Apparently the sociologists were wrong. Since then there has been a dramatic increase in crimes in California but the prison population remains static.

A random-sampling study made in 1961 in Los Angeles of 229 persons convicted of using marijuana produced these disturbing figures:

Sixteen per cent of the 229 were again arrested for using heroin and 34 per cent were again arrested for using marijuana.

Of the 229, 58 ran up totals of 100 arrests. That isn't good rehabilitation no matter how the sociologists measure it!

The records, when viewed for the entire criminal life of the group, show that the 229 marijuana users had a total of 1,279 arrests with 632 convictions. Three-fourths of the group had been arrested at least twice.

In 1961 California had 21,000 felons in prison with felony convictions totaling 28,000. Felony convictions have nearly doubled since then. The prison population? It is still 21,000.

Bolled down, these statistics show that a law officer has to arrest his criminal more times to get him in jail where he can get a chance at rehabilitation without outside temptation.

Peace officers and probation officers have been handcuffed by the will of the legislature and the leniency of the courts. But once in a while their view of this idiosyncrasy shines through.

One such exposition turned up in a local court recently at which Lemon Grove's Admiral (USN Res.) Dwight Putnam was the supervising juvenile probation officer.

A black youth was facing the court on a serious charge. The judge had been showing great compassion that day. The defense attorney was making an emotional plea. Although the plaintiff seemed to have a cut-and-dried case, the attorney was letting nothing go by — not even the high cost to the taxpayers for prolonged trial.

Finally, the defense attorney demanded a "line-up". Officer Putnam respected the order. He got four other youths, each about the same age, height and build as the accused.

But the "lineup" upset the defense attorney because Putnam had gotten four white boys, each the approximate size and shape of the black suspect.

The court, naturally, ordered the admiral to get blacks. The accused, we assume, was put on probation.

Dear Santa Claus...

As St. Nick and his elves continue to work diligently in order to complete their work before Santa takes off on his annual journey, local boys and girls have continued writing letters.

The latest reports from the North Pole have it that everything is on schedule. Since extra-heavy mail loads continue to cause post office tie-ups, letters to Santa are printed here, so Santa can pick up local requests at the same time as he reads news of our town.

Here are the latest letters:

Dear Santa,
Little BiKe (yellow), Big Monkeys, Guns, Cowboy Hat, Musical.

From Chuckie Scott
Lemon Grove

Dear Santa,
I want the car Put together (set, two wheels, BiKe Blue, Piano, dinaSoura Set, Train Main, Mountain Set, Donnie Scott
Lemon Grove

Santa Claus,
I would like a bike for Christmas. I would also like a train.

Thanks a lot Santa,
Chris Meland
Lemon Grove

Dear Santa,
I want a slot car set, a train set, a rabbit, a pop Warner foot ball, some poish for tumble stone, some goop for everything maker. Love You Santa Claus.

Love,
Gary Alan Hamm

Dear Santa Claus,
I would like the following things. A cow dragster, a slot car set, hot wheels, models, a few games and many more things. Have a nice day.

Love,
Eric Hamm

Love Santa Claus,
for Christmas I want a bike, and a dune buggy, and a slot car set.

from
Scott

Dear Santa
My name is Tammy and I've been good because my mom and dad said so. I want a talking P.J. doll and some clothes. Also a record player and some records of my own. I love you Santa and I wish a Happy New Year. Ill go to bed early and wait until mom said its time to get up and see all my nice gifts. Thank you Santa.

Love
Tammy
Lemon Grove

Dear Santa:
Id like some dolls Mc gruffe Ana and Swett Tears and Baby Tender Love the one My cousin Dorren the velvet Barbie dress that has a skirt

brown, sort sleeve jacket and some snow man pierced earrings Black high bottom shoes 1 pr. some clothes baretts fake brade 1 the book and reaked of the Wizered of OZ.

Merry Christams to Santa Claus and Mrs. Santa Claus!

LEMON GROVE REVIEW

PLOTTING THE LOCATION of the 1972 Grossmont District Camporee of the Boy Scouts of America at Rancho San Diego are Tim Johnson, left; J. E. "Boss" Parsons, project manager for Rancho San Diego; Danny Johnson, Keith Steinberg and Dennis Van Sickle, Scout Master of El Cajon Troop 326. All of the boys are members of Spring Valley

Troop 356. Rancho San Diego has given the District permission to use 1,000 of its 6,000 acres for the site of the "Camporee Rancho San Diego" next April. Rancho San Diego is the master-planned new town now in development in Spring Valley.

Earl Kirshner is Winner In Christmas Light Contest

Earl Kirshner, 7458 Tweed st., Lemon Grove, was named Sweepstakes winner of the annual Christmas Decorating contest sponsored by the L.G. Chamber of Commerce and the S.D. Gas & Electric Co.

Kirshner's display was built around profuse use of lights including a candlelit driveway, according to Gary Sweet, chairman of the Chamber's judging committee. Kirshner will be awarded a bronze plaque.

Winners, first through third places, were:

SDG&E Office Held Up Here

The Lemon Grove office of the San Diego Gas and Electric Company was the victim of an armed robbery Monday morning, and the armed suspect escaped with about \$100 in cash.

According to reports from the Sheriff's Office, the suspect, who is about 35 years old and has shaggy brown hair, walked into the store and displayed a small caliber handgun with a silver barrel wrapped in a dirty hankerchief.

When the suspect demanded money, he was given some change, but demanded more. The clerk then gave him some bills, as two customers came into the shop.

Cub Pack Plans Annual Christmas Caroling Trip

Cub Scout Pack 318 will present Christmas carols at area nursing homes and convalescent hospitals as a part of their Christmas meeting Monday.

Following the caroling, a Cub family party and gift exchange will be held.

The meeting climaxes the 1971 program. Last month, a major awards meeting was held, with new cub scouts receiving Bobcat pins.

They were Eric L. Smith, Terry DnNunzio, Paul Robbins, Brent Mendoza and William Beckham.

Also receiving Bobcat pins were Laurence Horowitz, Eric Huber, Gabriel Jaurequi, and David Marmolejo, Tony Ferdaise, Paul Hoobler, John Lewis, Thomas Balaban, William Sharp, Todd Howe, Jerry Morgan, Charles Stone, and Darryl Mix.

Webelos, whose activity program spans the summer months, recorded the largest single group of awards: Stephen Nadeau — 3 year pin, showman, scholar, naturalist and Arrow of Light. Robert

Mr. and Mrs. Paul Crane, 1707 Skyline dr. A Santa's workshop with handmade mechanical elves hammering away on a toy assembly line.

Mr. and Mrs. Mike Simpson, 2073 El Prado, a Night-Before-Christmas display, complete with Santa, reindeers and a manger.

Mr. and Mrs. Albert F. Crooks, 7455 Tweed st., a well-lighted layout which included Santa, reindeers, and a manger.

In addition to Chairman Sweet, other judges included his wife Anita; Bob and Florence Russell; Jim and Jennifer Dorman, and Steve and Dale Tee.

Awards will be made to winners at a future Chamber luncheon, according to Bob Russell, Chamber president.

Storm Wets Countryside

The low pressure system that brought a storm here Wednesday had left 46 of an inch of rain at press time Wednesday (near noon).

The rain total for this year had reached 2.50 inches. This compares with 2.83 for the same period last year.

Rain seasons are from July 1 and rain days end at 4 p.m. daily.

Meier, Goodwin To Be Featured By Art Group

Helmut Meier and Mrs. Treasure Goodwin will be featured artists of the Foot-hills Art Association during the month of January, it was announced this week by Foot-hills president Willa F. Smith.

Meier, a naturalist-artist who handles primarily Batik, an ancient art, will be the monthly demonstrator at the group's regular meeting January 6 at 7:30 p.m. in the Ben Polak Memorial Fine Arts Center, 8053 University ave., La Mesa.

Newsman Named To Staff Of Mayor Wilson

A young newsman has been named Administrative Assistant to Mayor Pete Wilson.

Larry Thomas, 24, resigned as Politics Writer for the San Diego Union to accept the \$16,512 a year non-civil service post.

His duties will include press relations, research liaison with community groups, and drafting of legislative proposals, Mayor Wilson said.

Thomas, single, was born in Mexico City, attended Pt. Loma High school and studied journalism at S.D. State.

Thomas served as a general assignment reporter on The Union prior to his appointment as Politics Writer earlier this year. He also has served as a feature writer for Copley News Service, as a staff writer for United Press International, and as a producer/writer for KPBS-TV in San Diego.

College awards include selection as runner-up in the first annual Barney Kilgore Award competition for "outstanding journalistic achievement and outlook exemplifying professional standards." This award was presented to four journalism students in the nation.

Other college awards included first place in the 1969 feature writing competition of the California Intercollegiate Press Association and selection as journalist of the year and best editorial writer at Mesa College in 1967.

Professional awards include Golden Mikes presented by the Radio and Television News Association of Southern California for the best television documentaries in 1967 and 1970. He was co-author of both programs, "When Peace Comes" in 1967 and "Disension in the Ranks" in 1970.

His father, Edward, recently retired as editor of the San Diego Union.

Man Jailed In Connection With Five Lemon Grove Burglaries

Larry J. Loving, 41, was arrested Thursday evening at midnight in Santa Maria in connection with five Lemon Grove burglaries which occurred between Wednesday night and Thursday morning.

Loving was stopped by the California Highway Patrol in Santa Maria after officers clocked him at more than 80 mph. A check on the car he was driving indicated that it was registered to Corral Ford, in Lemon Grove, and an investigation determined that the vehicle was stolen.

Loving was then transported to Lemon Grove, where evidence led officers of the Sheriff's Department to add four other charges of burglary.

The other burglaries which Loving allegedly committed were at the Massachusetts Avenue Lumber Co., 3580 Massachusetts, Lemon Grove; Western Mobile Home Transport, 6969 North ave., Lemon Grove; Bob Bauer Motors, 1010 Broadway; and Superior Scaffold and Equipment, 6603 Federal blvd.

Evidence at the Scaffold Equipment Company included \$28 in cash missing from a safe, signs of entrance into a tool shed, and several tools missing from the shed.

At Bob Bauer Motors, \$5 was taken from a safe, which was destroyed.

At Corral Ford, the burglar apparently broke into an office, stealing several sets of keys, most of which were discovered strewn about the car lot.

Deputies believe that Loving took the keys and then went about the lot trying them in different cars until he found one that fit.

Lakeside Man Killed In Auto Crash Monday

A Lakeside man involved in a Lemon Grove traffic accident was pronounced dead at the scene Monday night after he was pinned under the wreckage of his vehicle, according to reports from the California Highway Patrol.

Dead, apparently from injuries received in the accident, was J. R. Harris, 43, of 12211 Gay Rio dr., Lakeside.

Reports indicated that Harris was southbound on Massachusetts ave. at about 9:20 p.m. when the mishap occurred. Another car, driven by Sharon Calabrese, 23, of 3430 Helix st., Spring Valley, was eastbound on Central ave. at the intersection of Central and Massachusetts, having pulled out from a stop sign.

Both vehicles went out of control at that point and the Calabrese vehicle struck a fire hydrant nearby, while the Harris auto collided with a utility pole.

Harris was thrown from the vehicle on impact and pinned under the wreckage. The driver of the other car sustained minor injuries and refused first aid at the scene.

Dinner Planned For Ed Miller

Plans for a \$25 per plate dinner honoring District Attorney Edwin L. Miller, Jr., were announced this week by the dinner committee co-chairmen, Thomas M. Hamilton, A. B. Polinsky and R. R. Richardson.

Billed as the "First Anniversary Appreciation Dinner," the affair will be held Saturday, January 15th, at the Hotel Del Coronado, with cocktails at 6:30 p.m. and dinner at 7:30.

Miller, formerly the U. S. Attorney for the Southern District, was elected in November, 1970.

Reservations may be made by calling 233-8959.

Clain Wins SV Lighting Competition

James E. Clain, III, of 209 Paden dr., Spring Valley, was declared the winner of the Spring Valley Chamber of Commerce's annual Christmas Lighting Contest after judges toured the town, judging each of the area winners.

The bus tour, for judges and interested members of the community, was held Monday night, departing from the Carmen Ranch Club, where refreshments were served.

The area winners, which included houses in each of twelve areas of Spring Valley, were judged last week by members of the chamber, who awarded first, second, and third place awards in each area.

First place winners in the area contests were Clain, Richard Saunders, Albert Calabrese, A. Christy, Ivan Pateches, John Bertino, Gerald Clark, Mr. Nullens, S. Distad, R. D. Garrett, Mildred O'Dell, and Fred Haas.

An addition to this year's competition was a category for mobile homes, which was won by Haas.

New Land Split Law Proposed

SAN DIEGO (CNA) — A hearing on an ordinance that would abolish the division of land process known as lot splits has been set by the Board of Supervisors for Jan. 26 at 2 p.m.

Under the new ordinance, any owner of land in the unincorporated territory who wishes to split his property into four or fewer parcels will have to file a tentative parcel map and follow this with a final map.

No map will be needed if no parcel of less than 40 acres is created. If more than four parcels are created, the more expensive subdivision map would be required.

The new process will be more expensive as parcel maps take more engineering than split lot (division of land plats) and the filing fees will be higher.

Then the filer must make an offer of dedication for streets and utility access rights of way.

The proposed new ordinance would then require that street and other improvements be constructed, but the circumstances here would vary.

The intent of the law is to require improvements in areas of intensive urban development, but not require standard streets in rural areas.

The board some weeks ago halted all further processing of lot splits. The reason was that the staff could no longer keep up with the work load as many persons filed for splits in anticipation of the new requirements.

L.G. Fire Report

It was a quiet week last week for members of the Lemon Grove Fire Department crews, as only one fire call and one rescue call were answered.

The fire call was to a U-wash at 7775 Broadway, where a short in a washing machine caused approximately \$35 damage December 13.

The rescue run was December 19, when a local woman was hospitalized with pneumonia.

The Red River of the North begins near the sources of the Mississippi River but instead of flowing southward, it turns northward into Canada.

COUPON COLLECTORS — The Junior Unit to the Ladies Auxiliary of the Mission Valley VFW Post No. 3787 this week started a second Betty Crocker Coupon drive to supply the needy with kidney machine equipment and home dialysis machines. A drive completed earlier this year brought in over 1,000,000 coupons.

Kidd Replaces Dean At County Association

Dodge Dean, a long-time general manager of the San Diego County Employees' Association, has been separated from the group, it was announced.

The executive committee said the separation resulted from his action regarding a holiday swap proposal by

which employees would forgo a day off at election time in exchange for a Christmas Eve holiday.

A. J. Kidd, was named acting general manager. He had been the assistant manager.

Dean had been at the head of the group for nearly 9 years. The Association has more than 8,000 employees.

M.V. Speech Students In Forensics League

Eleven Monte Vista High School students recently became the school's first members in two years of the National Forensics League, it was announced last week.

Memberships in the national organization are earned by entering and placing in speech tournaments, according to Monte Vista speech instructor Jane Arnold. "It represents a great deal of enthusiasm and energy," she said, "and I'm extremely proud of their efforts."

The eleven members are Jim and Carolyn Donohue, Dale Dunbar, Brian Frasch, Dan Goldzband, Keith Jennings, Rob Mahaffey, John Lamping, Leslie Rose, Jeanie Shackelford, and transfer student Patti Stenzel.

Legend says Helios, the sun god, crosses the sky daily from east to west in a golden chariot.

Gulls Aim To Snap 'Runners Winning Streak

The San Diego Gulls, coming off a seven-day holiday layoff, battle the Phoenix Roadrunners at the Sports Arena Sunday evening. Face-off is at 7 p.m.

Following the Phoenix game, the Gulls will host the Seattle Totems next Wednesday night before hitting the road for a pair of games.

In facing the Roadrunners, the Gulls will be attempting to snap a Phoenix streak. The Roadrunners have piled up a 5-0-2 record over the Gulls in the last seven games over two seasons.

This season, the Roadrunners have a 3-0-1 record in the four games played, and have outscored San Diego, 23-6, in the four games.

Phoenix will be coming off an eight-day layoff to play Sunday night, so there shouldn't be any edge to either team in game sharpness.

Against Seattle, it's been a different story for the Gulls this season. San Diego has won all six games against the Totems thus far this season, including four games in Seattle. The Gulls have outscored the Totems, 34-10, in the six games.

A pair of players who were with the Gulls this season, Tom Trevelyan and Glen Irwin, are currently with the Totems.

Following Wednesday's game against the Totems, the Gulls will travel to Seattle for a New Year's Eve rematch with the Totems, and continue to Salt Lake for a New Year's night game before returning home to play Phoenix again on Sunday, January 2.

The Sunday night games against Phoenix the next two weeks will be John Morrell Ladies Nights. All ladies coming to the game will receive a \$1 discount on tickets, and a coupon good for a discount on John Morrell meat products. There will also be a drawing for samples of John Morrell meats.

Nick's Picks

Plenty Of Tourneys On Prep Schedule

By John Nicholson

Tournament time has rolled around again on the prep sports scene, and there are plenty of 'em to pick from. Some samples:

Basketball

Monte Vista will travel to Bonita Vista this afternoon where the opening round of the Bonita Vista Optimist tournament will be played. The Monarchy leads off against Crawford, and should be able to handle the Colts without much trouble, possibly by eight points or so.

In the second round, Madison is the opponent, and the Monarchs are picked again, by four points. San Diego will probably be the third-round opponent, and the Cavers get the pick here, by five points, over M.V. Coach Pete Collorelli's objections.

Mount Miguel, meanwhile, will open the University High School tourney, at University High Monday afternoon, when the Matadors square off against the St. Augustine Saints.

Mt. Miguel, off to one of the worst starts in recent years, is hopeful that star guard Tim Miller has mended from a sprained ankle in time for the tournament. With Miller, Mt. Miguel is picked by three points, and will go on against St. Augustine in the second round. With Miller, the Mats are again picked, by eight points. The third round will undoubtedly be against Hilltop, with the Lancers rated the favorites, whether Miller is ready or not.

Without Miller, Mt. Miguel will more than likely be eliminated in the first or second round.

Wrestling

On the wrestling circuit, the county's two strongest teams will meet head on next Thursday afternoon at the Grossmont College Invitational tournament.

Mt. Miguel and Monte Vista will headline the sixteen or so teams entered, while outside threats include Helix, Granite Hills, and Santana.

So far this year, Monte Vista and Mt. Miguel have met once, in the Southwestern Kiwanis tourney, with Monte Vista taking home all the marbles with 104½ points,

while Mt. Miguel took second with 97½ points.

The teams show excellent strength and could take the crown, depending on how the individuals are seeded. All other things being equal, however, the results should look something like this:

Mount Miguel, 98 points; Monte Vista, 92 points; Helix, 90 points; Granite Hills, 58 points; Lincoln, 48 points; Santana, 48 points.

Individually: 95 lb., Terry Drew, Grossmont; 103, no pick; 112, Rick Goward, Granite Hills; 120, Miguel Cesena, Mt. Miguel; 127, Mike Rhoades, Mt. Miguel; 133, Robbie Hudson, Monte Vista; 138, no pick; 145, Matt Taylor, Monte Vista; 154, Dave Rowley, Mt. Miguel; 165, Dan Fleury, Monte Vista; 175, no pick; Hywt., Dennis Johnson, Helix.

NCAA Gives Sanction To Senior Bowl

The San Diego Junior Chamber of Commerce last week announced that the JC sponsored San Diego Senior Bowl football game has been approved for certification from the National Collegiate Athletic Association.

The Senior Bowl, played in San Diego Stadium, matches the outstanding senior players from San Diego City high schools against graduating all-stars from County high schools. This year's game will be August 4.

The Senior Bowl Board will select coaches for the game, who will in turn instruct all area coaches to nominate graduating players for the two teams.

Game coaches will then select from the nominees those athletes who will participate. Selections will be made by reviewing films, statistics, and conferences between each athlete's coach and the game coaches. The player rosters will be submitted to the Bowl Board for final approval.

Proceeds from the game will be donated to a local charity.

DEFENDING CHAMP — George Archer, defending champion and tournament course record holder, will be back for the 1972 Andy Williams San Diego Open golf tournament, event executive director Norrie West has announced. A letter to tourney officials from Mrs. Archer in Gilroy indicated that George "looks forward to defending his title at your great tournament."

Archer, often described as a "horseless cowboy" from his days as a hired hand at a Hereford breeding ranch in Gilroy, won the 1971 tourney at Torrey Pines in spectacular fashion, breaking out of a five-way tie after 54 holes to finish with a blistering seven-birdie 65.

Gomez Sees '72 Padres As League's Fastest

Padre fans, who look back Preston Gomez.

to those games when a short step meant a run shy, now can look ahead to watching one of the fastest teams in baseball.

The acquisition of second baseman Derrel Thomas, the presence of center fielder John Jeter and the return of Enzo Hernandez, Leron Lee and Dave Campbell provide the Padres with the type of speed that converts one-run losses into one-run victories.

"The wonderful thing about having speed is that it works for you both on offense and defense," points out manager

Hernandez in his rookie season set a club record with 21 stolen bases in 1971. Jeter paced the International League with 36 thefts. While Thomas may prove to be the fastest of the three.

"I can't wait to see who's faster, Thomas or Jeter," enthused Gomez.

Thomas, who follows closely the base-stealing technique of Los Angeles' Maury Wills, said that he will attempt to make the most of his speed.

"Sure I like to run," the 20-year-old switch-hitter said. "But speed in baseball isn't only stealing bases. It's bunting your way on and beating out infield hits. And it's using your speed to field your position better than someone who isn't quite as fast."

Gomez believes that with Hernandez and Thomas as a double-play combination and Jeter in center the Padre defense will be improved considerably.

"Having Thomas and Jeter will make a big difference in the field," Gomez said. "I'm sure of that."

And Gomez believes that Bill Greif, the right-handed pitcher the Padres also acquired in the trade with Houston for Dave Roberts, is sufficiently talented to win impressively next season.

"Two years ago, how many people knew Dave Roberts," Gomez reasons. "He was in the same position as Greif is in now. Dave needed the opportunity to pitch."

"All Greif requires is similar opportunity. And he will have every chance with the Padres. It may be that come next June or July Greif will be as well known to Padre fans as Roberts was."

Thomas looks upon his sudden good fortune in about the same way.

"If it weren't for the trade, I might never have the chance to play," he says.

EASY LAYUP — El Cajon's John Hurlburt goes in for an uncontested layup against Mount Miguel in the second round of the Kiwanis Tournament's consolation bracket Monday afternoon. Mount Miguel overcame

Hurlburt's excellent shooting to claim its first win of the season, 59-53 and advance to the third round against twice-beaten Granite Hills.

Morse Beats Monarchs In First Round Of Kiwanis Tournament

By Tom Blattler

Led by Zeke Sanchez' 25 points, the Morse Tigers smashed the Monte Vista Monarchs, 56-44, last Saturday afternoon at Grossmont College in the opening game of the 25th annual Kiwanis Basketball Tournament.

The senior guard of the Tigers threw in 11 field goals and hit on three of four free throws for his total of 25. Sophomore guard Sam Wil-

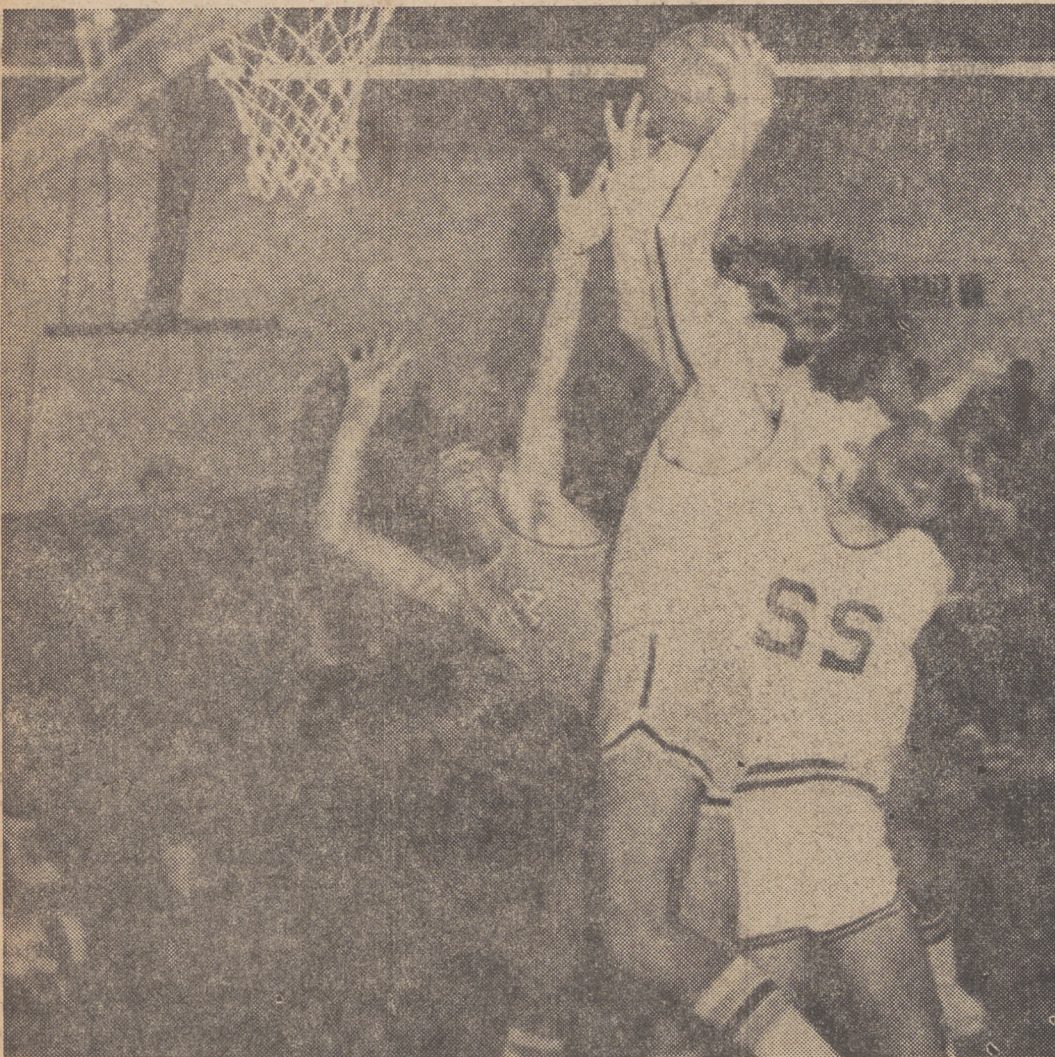

kins chipped in with 10 points. The leading scorer for the Monarchs was senior center Carl Zemlick with 13 markers. Senior guard, Mike Moffatt scored nine points to help the Monarchs cause.

Morse took an early lead in the first quarter, and kept its margin at the end of the period, 15-5. Forward Keith Walker and Williams led the attack for the Tigers.

Monte Vista came back in the second period, as Moffatt and Zemlick led the way. The Monarchs outscored the Tigers, 15-8, but Morse led at halftime, 23-20.

Sanchez went to work in the third period, and helped his team extend its margin to ten points at the end of the stanza. Zeke hit on jumpers from the outside and on drives to the basket.

(Cont. on Page 6)

CROWDED SHOT — Granite Hills super shooter Roy Jones gets off a shot as he is fouled by Monte Vista defenders in the second round of the Kiwanis Invitational Tournament's consolation bracket. Granite

Hills broke a two-game losing streak with a resounding 75-51 win over the Monarchs to advance to the third round against Mount Miguel Tuesday.

Three quarters of a million health workers will be needed in the next 10 years.

Cards Best Matadors In First Round

By Paul Stark

Mount Miguel High School, with a poor defensive showing and a barrage of turnovers, dropped an 84-67 decision to the Hoover Cardinals last Saturday afternoon at Mesa College in the first round of the 25th Annual Kiwanis Basketball Tournament.

Hoover had little trouble scoring against the Matadors, collecting 24 layups, half of which were uncontested. Making matters worse for the local team were 25 turnovers.

In the first period, things didn't look too bad for the Matadors, as Hoover took a 12-11 lead. The Cards had a 6-0 lead as the game opened, but Mark Dobransky and Terry Greenman's shooting kept the local team in the contest.

Desire sparked the Matadors in the second stanza, as the Mats took leads of 24-21 and 28-25 in the period. Jess Jenner was the big gun for Mt. Miguel, sinking five points in the period. Before the period was over, however, Hoover overcame the lead with Leon Hubbard's two free throws to take a 29-28 margin.

The Matadors trailed by five points going into the third period when the Hoover layups spelled disaster. Hoover raced to a 47-31 edge early in the period and then coasted to a 60-47 margin as the game entered its last quarter.

In the final period, it was all Hoover, as the Cards ran away to a 70-52 lead midway through the quarter before finishing off the hapless locals, 84-67.

Things were different in Monday's second round, however, as the Matadors took on the El Cajon Braves in the Consolation bracket.

The Matadors, in winning their first game of the season, 59-53, built a tremendous lead over the first three quarters before coasting to the easy win over the hapless Braves.

Mt. Miguel opened things up running, as Mark Dobransky and Mike Bruner led the way to a five point lead. Trailing 13-8 going into the second period, the Braves couldn't get untracked, and Mt. Miguel extended the margin to 28-19 at halftime.

In the third period, El Cajon's John Hurlburt began hitting on easy layups, but Mt. Miguel's shooting got hotter and the local team swelled the lead to 15 points in the period.

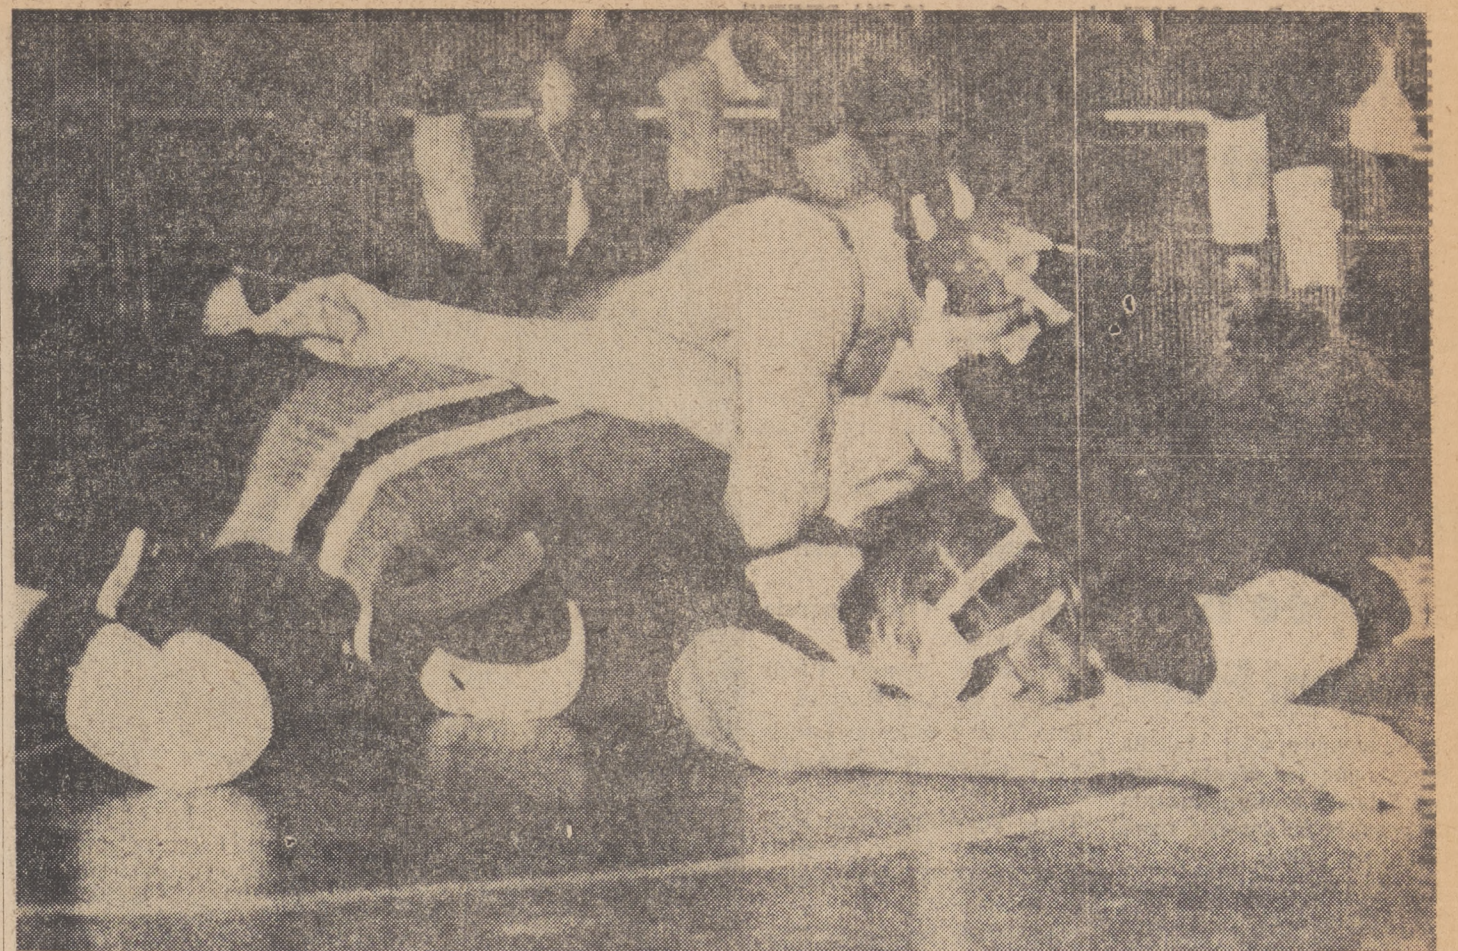

Hurlburt helped the Braves on an excellent press in the final stanza, and El Cajon crept to within six points as the game drew to a close, but the Matador lead proved to be unsurmountable.

Statistically, Mt. Miguel's Mark Dobransky was tops for the local team, hitting for seven field goals and eight of 11 free throws for a total of 22 tallies. Hurlburt led the Braves with 28 points.

The one-game winning streak for Mount Miguel, however, ended in the third round of the tourney, as the Granite Hills Eagles were the adversaries, and claimed a 91-76 win.

The Matadors opened the game well, running their way

NEARLY A PIN — Miguel's Cesena, at left, has his opponent, El Cap's Larry Kent, nearly pinned, but the Mt. Miguel grappler couldn't quite put the finishing touches on his

rugged adversary. Cesena still managed to collect a 7-0 decision over Kent to help Mount Miguel to a 53-9 win over El Capitan last Friday night. (Lorelei Wilhit photo)

Eight Loop Stars Earn CIF Berths

Four schools, all from the Grossmont League, accounted for eight of the 24 1971 All-CIF offensive and defensive football teams picked last week, and Grossmont's Travis Hitt was declared co-player of the year.

Grossmont High School placed three players on the first team, all earning defensive team berths. Only Patrick Henry managed more, placing four stars, two on each team, despite losing to Grossmont in the CIF Championship game.

Mount Miguel, Helix, and El Capitan were the other three Grossmont League schools represented on the all-star teams, with Mt. Miguel and El Cap placing two men each and Helix placing one athlete.

Travis Hitt, co-player of the year along with Sweetwater's Steve Bliff, anchored the Grossmont defensive unit in his position as linebacker, helping the Hillers to the CIF Championship. Hitt stands 6'0" and weighs in at 205 lbs.

Joining him on the defensive all-star team were teammates Steve Rymer and Steve Fulton, both linemen known for their rushing capabilities. All three Grossmont athletes are seniors.

From Mount Miguel High School, Jack Hook, an offensive guard, and Tim Miller, the multiple threat running back, were the all-star choices.

Miller, who rushed for over 800 yards, averaging 7 yards per carry, was also selected as back of the year for the Grossmont League. His multiple threats also included receiving

Mount Miguel Grapplers Knock Off El Capitan Vaqueros, 53-9

The Mount Miguel Matador wrestling team, on the power of pins from Mike Rhoades, Dave Rower, Wayne Allen, and Dave Morgan, as well as forefeits to Jim Minor and Dan Allen, buried the El Capitan Vaqueros, 53-9 last Friday afternoon on the losers' mat.

In the first match of the Grossmont League season, the Matadors proved their strength by whipping the Vaqueros, who haven't shown much power yet this season. The Matadors opened things on a winning note, as Jim Minor got the forfeit in the

95-lb. class. The Matador matmen continued their winning ways, as John Sison beat Kim Walker, 10-7, and Ben Villareal bounced Don Holman, 8-0.

In the 120-lb. class, El Cap picked up its first points as Dave Morton beat Jesse Cesena, 6-3. Mount Miguel bounced back, however, by winning five straight matches, including two via pins, before Bobby Nichols ended the string with his pin over Mike Trebbien.

The Matador heavyweights then took over, collecting a pair of pins and a forfeit to claim the easy victory.

Included in the Matadors' 11 victories in 13 matches was a 33-second pin by Wayne Allen over El Cap's Mike Miller in the 175-lb. weight class, and a pin by heavyweight Joe Morgan in 1:20 over John Brown. The match established Mt.

Honored For Safety

San Diego Gas & Electric Company last week honored 65 employees of its gas maintenance department for an outstanding safety record of six years work without a lost time accident.

In attaining the mark, department members completed 674,428 manhours of work, 106,032 of them during the last year.

Paul L. Hathaway, Jr., vice president — gas, commended the employees for their accomplishment and their consistent attention to safe work habits.

In further recognition of their safety record, Hathaway presented a plaque to A. W. Richards, superintendent of the gas maintenance department.

Mt. Miguel Girl Swimmers Feted at Awards Banquet

The Mt. Miguel Girls' Swim team made its annual awards recently at a banquet at the Rodeval Room of the San Diego Zoo.

It was the third such banquet and awards were made retroactively to the first year of the public ceremonies.

Red China Escapee Is Student Here

Seventeen-year-old Lucilla Chung, one of Monte Vista High School's foreign students this year, is an escapee from Communist China.

Lucilla was born in Canton City, China. When she was two years old her family escaped to Hong Kong during the "Mao" revolution. She spent her childhood in the country living in her grandparents' villa. And when she was four years old she began kindergarten.

With her mother, sister, and three brothers, Lucilla moved to Hong Kong City, where she continued through elementary and secondary school.

Lucilla's mother began teaching her homemaking skills — sewing, cooking, and family care. "My mother always told me that there are difficult things in the world," said Lucilla.

She began working part time beading sweaters. After work each night she would go to the market and buy food for supper. Lucilla wanted to learn English so she began studying at home and learned the language well.

"I decided to leave Hong Kong for another place that I had never been before in order to improve my knowledge," said Lucilla.

So in September she started her journey to America.

"On the way, I felt that I was dreaming. I did not believe what I was doing — and I am still wondering. But after I came here I found that people are the same; the differences are the customs, life and language. But our thoughts are the same," concluded Lucilla.

Parents of the girl swimmers were guests at the ceremony.

Trophies awarded for the current year included: Most Valuable Swimmer: Lesley Carlson, Lisa Goodwin, Sandee White and Kathy White, in that order.

Team Captain, Eileen O'Brien
Best Sportsmanship, Sandee White

Friendliest, Cindy Sundale, Pat Richardson

Attendance Awards, Cindy Sundale, Dee Ann Richard

One Year Emblems: Laurie Gum, Amy Homant, Dee Ann Richard, Kathy White.

Two Year Emblems: Debbie Collinge, Mary Obendorfer, Candy Smith, Cindy Sundale, Sandee White.

Three Year Emblems: Lisa Goodwin, Diane Carlson, Lesley Carlson, Ruth Carnes, Mel Huffaker, Eileen O'Brien, Karen Saucier, Janet Walter.

Captain Eileen O'Brien presented ribboned carnations to parents who helped with the team this year.

Mrs. Shirley Oates was presented with a charm bracelet and a vase of rosebuds.

Cycle Club Is New MV Group

A group of "not-so-easy riders," composed of Monte Vista High School teachers, students and their parents, is seeing the California scenery — from bicycles.

Some of their forthcoming journeys include trips to Coronado, Jamul, Ramona, an overnight desert ride, and a trip across the border into Mexico.

Vince Muzzo, teacher and sponsor of the club, has been riding a bike most of his life. He got his first bike when still in grade school. Twelve years ago he bought his first 10-speed, and he's still using it.

A bike trip takes a lot of planning, and tools to fix the bikes and extra clothing and food must be provided.

Club members must ride 10-speeds which have been checked and approved by the advisor, Muzzo said boys' bikes are best for both boys and girls.

The club has a rule that all members go slow enough for even the slowest member of the club. For the "speed demon", the club holds 10-mile trials every Saturday.

Bank Card Sales Up

BankAmericard sales outside the United States for the first nine months of 1971 increased a staggering 110% over the comparable period last year, and its number of international cardholders jumped 13%, it was announced this week.

NEW BUMPER — Automotive engineers at Liberty Mutual Insurance Co. have developed a unique two-stage, hybrid car bumper system which prevents all but minor damage in car-to-car collisions at speeds up to 10 mph.

Because the bumper prevents costly damage to the car in front impacts of 10 mph, it goes beyond Federal Motor Vehicle Safety

Standard No. 215 effective for 1974 which only requires that safety-related equipment remain operational.

The result of more than a year of testing bumpers, the two-stage prototype uses rubber spring and crushable cylinders of aluminum honeycomb to absorb impact energy.

Scouts To Have Choice In Jamboree

Scouts from this area will have a choice where to attend the 1973 National Boy Scout Jamboree, as the eight annual affair will be held in both Idaho and Pennsylvania.

In a departure from tradition, the Boy Scouts of America will be holding a national Jamboree at two separate locations at the same time, according to Ralph Walton, Council Commissioner of San Diego County Council, BSA.

The Eastern and Western sites will be Moraine State Park near Butler, Pa., and Farragut State Park near Coeur d'Alene, Idaho. Both will be held in late July or early August 1973, and 40,000 Scouts and leaders are expected to attend each Jamboree.

Two sites were chosen to give more boys an opportunity to attend a Jamboree, Walton said. In the past, Scouts signed up, but adult leaders were not available because of excessive travel time. Now, an adult leader may fit the Jamboree and travel time into a normal 2-week vacation period.

Christmas Long Distance Calls To Be 'As Usual'

It will be "Christmas as usual" Saturday for nearly 400 Pacific Telephone operators in San Diego County.

To them, "Christmas as usual" means that once again they will be on the firing line to place the flood of customer calls that annually inundate operators on Christmas day.

E. J. Brunick, PacTel's general traffic manager in San Diego, estimated that operators in the utility's seven long distance offices in the county will handle about 126,200 calls

Eight League Stars On CIF

Continued from Page 5

22 passes for 305 yards, averaging 25 yards per punt return, and averaging 37.5 yards per punt.

From El Capitan, Don Sutton, a defensive linebacker, and Bob Nichols, an offensive tackle, were selections. Sutton led the Vaquero defense when El Capitan was the only team able to beat Grossmont during regular season play.

Rounding out Grossmont League athletes on the all-star teams was Frank Woolrich, running back and pass catching sensation from Helix. Woolrich ran for nearly 900 yards on the year, while averaging 6.1 yards per carry. Additionally, the 185-lb. back caught 20 passes for 257 yards and scored nine touchdowns for the third-place Highlanders.

Second team selections from the Grossmont League were quarterback Jim Browning, Helix; running back Larry Olsen, Grossmont; running back Bob Lucas, El Cajon; defensive lineman Kim Wallace, Grossmont; defensive line-backer Randy Bowker, Grossmont; and safety Dan Koskenin, Grossmont.

Gray Whales Pass By Point Loma Coast

One of the "largest" attractions for San Diego County residents and visitors arrived last week. The attractions are the California Gray Whales, which have begun migration to Baja California from the icy waters of the Arctic Ocean.

From atop Point Loma, at Cabrillo National Monument, the whales, which weigh up to 50 tons, are visible as they make their way to breeding grounds in the lagoons of Baja California.

"The customer is beginning to realize that he stands a better chance of completing his call if he dials directly. A subscriber should in advance of Christmas know the correct area code and number in order to have swift and direct access to all long distance circuits," Brunick said.

Brunick said that since Christmas falls during a weekend, his company expects long distance calling to be spread out fairly evenly over Friday night, Saturday and Sunday.

"We've found that when Christmas falls on a week day, people concentrate their calling on Christmas Eve and Christmas itself. But that isn't the case when the holiday is observed on a weekend."

Gray Whales Pass By Point Loma Coast

Letters To The Editor

Dear Mr. Publisher:

The column "Lots of Relief in Property Tax" has a lot in common with the ad in the same issue "What's Wrong With Taxes?"

Rather than taking "Relief" out of the "Property Tax" it suggests doing something about where the tax money comes from, and the effect on business and wages.

If you are a "Real Property Investor" your interest would be in one and not the other. A very prominent individual has said that "Real Property Investment" is his only investment — a letter has been sent to him!

Tax Reform Incentive Taxation) would increase the tax on real property and remove the tax on the improvement part of Real Estate. You are a "Real Property Investor" if

your tax under Incentive Taxation would be greater than under the present "fourteen taxing agencies".

For example: A 20 year old home with current land value \$3000, and home value \$12000 with a tax rate of \$12 would pay a tax of \$600 (tax value 25% of assessed \$2,000 plus \$3,000). Under incentive taxation — real property would be \$8000 with a tax rate 2 and 1/2 times \$12 would pay a tax of \$600 (2000 X 30). BUT there would be no increase if the old home were fixed up! Another example: A new home with real property \$4000 and the improvements \$16000 would pay the same tax of \$600 and under incentive taxation the tax would be cut to \$300 . . .

Another example: an older home on zoned property with real property value of \$48,000 and improvement value of \$16,000 would (maybe) be assessed at a total of \$16,000 (12,000 & 4,000) and would pay a tax of \$1,920.00 and under incentive taxation with the 2 and 1/2 times \$12 the tax would be \$4,800 — an increase of \$2,880 — a real INCENTIVE to be a Real Estate Investor!

Actually with better assessment practices under Incentive Taxation, reduction of tax-shelter setups, and the savings for homeowners. Improvement in job opportunities would provide real relief and better wages for all of us . . .

Real Property Owners holding real property out of best economic use would be paying their fair share of the tax on values they have done nothing to create! Homeowners and Real Estate Investors would not be penalized for making good use of the real property they own.

Are you a Real Property Investor? Would your Property Tax be less under the Incentive Tax Reform?

Cards Best Mount Miguel

Continued from Page 5

the first eight minutes.

The Eagles, however, came out in the second quarter with a half-court press that the Matadors were unable to break, bounding away to a 12-point bulge at halftime.

Things worsened in the third period, as the Eagles made it a 17-point lead before the local team could overcome problems with turnovers and a lax defense.

Mark Dobransky led the Matadors in a losing cause, collecting 30 points, while Doug Eldmore paced the Eagles with 24 tallies.

NOTE . . . I favor the Republican Party Welfare Reform Plan to assure nationwide standards of subsistence for those who CANNOT work (including AFDC-aid for children), and the dignity of free men for those who can work . . . "a neccessitous man is not a free man" . . . we do not have the 'free land and the equal opportunity of the frontier days' — with incentive taxation there would be a resurgence of free enterprise with higher wages and a better return on invested capital.

Arch Gerard
La Mesa

Dear Editor,

The real Christmas spirit has come to Jamul due to the combined efforts of the three 4-H clubs and three local artists.

The brightly decorated windows of the Post Office, the general store, the real estate office and service station are something to see, and Christmas music is enjoyed by all.

Those responsible for the local artwork are Olga Gonzalez, Cheryl Kistrup, and Lillian Nelson. The Jamul Chaparros, Rancho Granale, and the Jamul 4-H are the groups participating.

E. Ledbetter
Postmaster, Jamul

'Senior Standouts' Of Mount Miguel Named

Mount Miguel High School's "Senior Standouts" were named earlier this month at the class of 1972's annual senior banquet at the Atlantis Restaurant.

Named as most likely to succeed at the banquet were Robbie Luscher and Karen Segawa, while Ted Urdike and Candy Smith were honored for the most school service.

Jim Minor and Leslie Carlson earned recognition as those with the best sense of humor, and the best dressed honor was bestowed on Terry Klusman and Suzy Putnam.

Lesley Carlson earned a second award, along with Ted Akers, as the friendliest, while the titles of Mr. and Miss Senior Class went to Tim Miller and Barbara Kotnik.

Dessert Coffee — Instead of the usual coffee and dessert, Dairy Council of California home economists suggest serving a steaming cup of Dessert Coffee. Combine equal quantities of hot double-strength coffee with steaming hot milk in a deep heat-proof mixing bowl, beat until frothy. Serve in tall cups or glasses and top with a fluff of whipped cream and a spoonful of shaved sweet chocolate.

BASHFUL — Sylvia Darby, 6-year old youngster from Campo, seems to be a bit shy as she makes her requests to St. Nick at Helix High School last week. Miss Darby was one of several Indian youngsters who were brought to the school for a Christmas party.

Santa, after making note of all the requests, has moved over to Casa de Oro in the Cdo Plaza, where he will talk to kiddies from 3-6 p.m. this afternoon and Friday before taking off on his annual rounds.

ROBIN HOOD'S MEN — Bob Dever, left, Mike Mesa, and Dan Peretti, get a minute's rest after the recent opening of Peretti's Robin Hood Auto Sales at 6867 Federal Blvd.

Barley, specially treated to become malt, is the brewing industry's major raw material. In a typical year, the U. S. brewing industry pays about \$15 million for vast supplies of malt — some 2.9 billion pounds — to be used in making beer.

Deddeh Traffic Bill Signed By Governor

Assemblyman Waddie P. Deddeh (D-Chula Vista), chairman of the State Assembly Transportation Committee, last week announced that California will receive an additional 12 million dollars a year from the Federal Government for the relief of urban traffic

congestion under a new law. The measure, Assembly Bill 1870, which was authored by Deddeh, also requires the state to speed up the flow of money to communities with severe traffic problems.

In making the announcement that Assembly Bill 1870 had become law, Deddeh said, "This state, indeed this nation, has become almost totally dependent upon transportation. Yet, in many areas, traffic congestion is becoming so intense that it is almost impossible to get around."

"Without transportation we will stagnate. I am hopeful that AB 1870 will help us discover ways to lessen, and possibly relieve traffic congestion in our metropolitan centers," Deddeh concluded.

County roads, adequate parking facilities and railroad crossing grade separation are among the list of construction projects on which the funds can be spent, Deddeh

said. The new law makes California eligible for funding under a new Federal Grant program recently enacted by Congress, Deddeh added. AB 1870 was signed into law by the Governor Tuesday.

Movie Presentation Set At L.G. Library

"Ski the Outer Limits" and "Great Toy Robbery" will be shown at the Lemon Grove Branch, San Diego County Library, at 7735 Pacific ave., December 29, at 7:30 p.m.

The free film presentation will provide an hour of fun for members of the family who wish to relax or enjoy a reprieve from usual chores.

Everyone in Lemon Grove and the surrounding communities is cordially invited.

India's population is increasing at the rate of more than a million a month.

Dear Santa...

Continued from Page 3

Dear Santa,
Hi, how you been! I've been a good girl. I'd like some toys. New books, new jamas, dolls etc. And any other things like fishes, etc.
I'll Gramma & Grandpa touse.

Bye,
Rochelle
Spring Valley

Dear Santa,
How are you. I've been a good boy so I'd like a few toys. Guns (2) 6-Guns & a rifle. New clothes. New rain boots and any other toys you'd care to bring.

We'll be at Grandma's and Grandpas.

P.S. Please forgive my father's writing.

Kevin
Spring Valley

Dear Santa,
I have tried to be good. Will you bring me a doll's house and some play doh. I have a little brother now. Please bring him a telephone and a donald duck. Mummy and Daddy will leave some cookies and milk for you. Happy christmas Santa. Love from
Joyce and Jimmy
Spring Valley

Dear Santa,
We love you for everything that you will give us. Please give me a minbike and a B.B. gun.

Love,
Jimmy Magoon
Thank you

DEAR SANTA,
How are you this year? I hope you will have a chance to visit us this year. I would very much like to have a switchboard and a Class A racing set. My brother Steve would like a 10 speed bike, but whatever you bring us will be all right.

Love,
Terry

Highway Patrol Test Application Deadline Nears

The deadline for filing applications for the January 22 examination for State Traffic Officer with the California Highway Patrol is 5 p.m. tomorrow, according to Captain Ben Killingsworth, commander of the San Diego Area CHP.

"The application to take the test must be filed at an office of the State Personnel Board before 5 p.m. Friday," he said. "or if mailed, it must be postmarked before midnight that day."

Application forms may be obtained from any office of the California Highway Patrol, Department of Human Resources Development, Department of Motor Vehicles, or State Personnel Board.

Height requirements for State Traffic Officer have been lowered to a minimum of five feet eight inches, from the previous five feet nine. The maximum height remains six feet six inches, and other requirements remain the same.

Applicants must be between 20 and 31 years of age, in good health, and with the equivalent of a high school education.

COMMUNICATIONS NETWORKS — James W. Hill, of La Mesa, senior radio technician, sits at maintenance console which keeps constant checks on all microwave relay stations. These relay stations allow county-wide communication for Sheriff's Department.

County government officials, road maintenance department as well as county-wide emergency networks. Hill is in charge of buying, installing and maintaining all radio and electronic equipment for the County.

Communications Division Has Emergency Microwave Networks

An earthquake destroys telephone communications between northern and southern sections of San Diego county. A bulldozer accidentally cuts a major phone cable, knocking out telephone service to a large portion of the area containing hospitals, police and fire stations. A major brush fire burns out telephone wires along a multi-mile front. How to communication in these emergencies?

"These are situations for which the County of San Diego's Communications Division designed the county-wide microwave networks. One network ties all fire departments together; the police mutual aid network permits communication among participating police departments and with the sheriff; a third network links hospitals, ambulances, and other emergency medical facilities," according to Robert Hively, director of communications for the County's General Services Department.

The networks have all been planned, developed and installed by County employees headquartered in the County Operations Center on Kearney Mesa. Microwave relay stations on mountain tops make County-wide Communication possible.

The fire network is just over a year old. Made operative only a few weeks before last year's Laguna fire, it enables 33 fire departments and districts to talk together or with the police network. For fire communication purposes, the County is divided into five districts. Each fire station can communicate locally, within its own district, or between districts in a County-wide mutual aid plan.

"There is no other fire communication network like it in the country," Hively says.

Immediately following the Laguna fire, Chief John J. Galvas, president of the Fire Chiefs Association, wrote the Board of Supervisors, "The improved fire operations... have more than justified the time and money you invested in the new coordinated Fire Radio Network... It was possible for the first time to co-

ordinate fire-fighting activities against a raging fire-front that was over a hundred miles in length... We were able to direct a fluid, mobile attack... The radio system has been a blessing."

The police mutual aid network, still being expanded as law enforcement groups join, uses a particular frequency on which any patrolman in need of help can call, enabling the closest patrol, regardless of jurisdiction to come to his immediate aid. It also allows coordination of all law enforcement agencies in the County in case of a major disturbance or disaster.

The emergency medical network is designed particularly for use in case phone service breaks down. If this happens, the phone company can route calls to a special number where trained operators can transmit the messages by radio. All hospital administrative offices are included.

A noteworthy feature is that ambulances can talk directly to a hospital emergency room for advice while bringing in a patient whose injuries may need immediate treatment beyond the first-aid skill of the ambulance attendant.

"In addition to these protective emergency networks, the County Communications Division is constantly studying and researching ways to provide services," said Hively. "We have been responsible for several innovative ideas. For instance, when a disturbance broke out in the jail, guards used to have to push a button on the wall to bring help. If someone got between the guard and the button, he was helpless. Now the guards are equipped with miniature transmitters on their belts. They can push a button on this wherever they are in the cell block. The transmitter sets off an alarm if it is pulled from its case so that it can't be taken away from the guard."

All courtrooms are now equipped with special signal buttons which alert the sheriff's and marshal's offices, showing which courtroom is in trouble, and setting off alarms in adjoining courtrooms.

There is a special radio net-

work just for the sheriff's use, extended county-wide with microwave relays; a local government network so that officials can keep in touch with headquarters through their car radios; and a network for the road maintenance division equipment.

The Communications Division is also working on a new microwave network for law enforcement officials. It will give all groups access to the City's and County's central computer for all local law and justice records such as the daily jail census or the court calendar. There are 1,350 traffic tickets a day given out in San Diego County, and every one is entered in the computer.

"All in all, the citizens of San Diego County own as sophisticated a communications network as any place in the country," Hively said. "We feel confident of our ability to handle any emergency."

Area Births

Following are the latest Spring Valley and Lemon Grove area births, as reported from Grossmont Hospital:

To First Lt. and Mrs. Kenneth E. Burke, of Lemon Grove, a 5lb. 10-oz. boy on December 7.

To Mr. and Mrs. Gary E. Newman, of Spring Valley, a 7lb. 6-oz. boy on December 7.

To Mr. and Mrs. Ronald N. Dolbeck, of Lemon Grove, an 8lb. 8-oz. boy on December 8.

To Mr. and Mrs. Ray Garcia, Jr., of Lemon Grove, an 8lb. 1-oz. boy on December 8.

To Mr. and Mrs. Edwin A. Woodward, of Lemon Grove, an 8lb. 10-oz. boy on December 9.

To Mr. and Mrs. George J. Perry, Jr., of Lemon Grove, a 6lb. 4-oz. girl on December 9.

To Mr. and Mrs. Jeffrey E. McBride, of Lemon Grove, a 7lb. 4-oz. boy on December 10.

To Mr. and Mrs. James J. Ramirez, of Spring Valley, a 6lb. 4-oz. girl on December 12.

To Mr. and Mrs. Paul Dominick, of Lemon Grove, a 7lb. 1-oz. boy on December 14.

To Mr. and Mrs. Bobby J. Fuels, of Lemon Grove, a 7lb. 2-oz. boy on December 14.

Blue whales spend summers in the Antarctic and Arctic Seas and in the winter migrate to warmer waters to reproduce.

THE PHONE BOOTH

All of us at the phone company would like to wish you and your family the very best this holiday season. It's been our privilege to serve you during 1971. Our New Year's resolution this year is to continue improving your telephone service during 1972 and each succeeding year.

Again, our best wishes for a Merry Christmas and a prosperous, rewarding New Year.

During the Christmas and New Year's weekends we expect a record number of people to send their greetings by long distance phone calls. If you're one of them, remember, we'll make every effort to complete your calls quickly, but some calls to some points may be delayed.

Here are some tips to help speed your calls through on these weekends:

- ... Know the Area Code and the number before you call. (Most Area Codes are found in the front pages of your phone book.)
- ... Dial direct. It's faster and cheaper to dial station-to-station calls without Operator assistance.
- ... Your call has the best chance of getting through during the lighter calling periods—usually the afternoon or late at night.
- ... If you get a busy signal, please hang up and try again in a few minutes.
